# Bus Safety Procedures

**Parents/Guardians: Please read and review with your child. This form must be signed by parents/guardians AND all campers riding the bus and the bottom must be returned. It is very important that these procedures be understood and followed.**

---

*The safety of our Earth Campers is the most important thing to us and we want to do everything possible to keep Earth Campers safe, at camp and on the bus. We need your support and cooperation.*

## **Bus Safety Procedures:**

- Campers are expected to follow the directions of the bus monitor and the bus driver.
- When an adult raises their hand, you are to be quiet.
- Only conduct appropriate at camp is appropriate on the bus. For example, the use of profanity is not allowed at camp and is also not allowed on the bus.
- Fighting and bullying will absolutely not be tolerated.
- Campers may be assigned seats for the week. You are expected to remain in your assigned seat from the time you board the bus to the time you get off. Bookbags and other personal items are to be held in your own lap.
- Hands, feet, and objects must be kept to yourself.
- Items not allowed at camp are not allowed on the bus.
- Noise must be kept to an acceptable level. While talking to your neighbor next to you is allowed, shouting to campers several rows away is not.

*Failure to comply with the bus safety procedures is serious and will result in consequences such as referral to the Camp Director and/or the Programs Manager and the possibility of suspension from camp.*

**I understand and agree that safety is the most important thing at Earth Camp. I pledge to do everything I can to create a safe camp and bus environment. I have read, understand, and commit to following the above bus safety procedures.**
